Staff Report

TO: Ed Dickie
FROM: Jack Taylor
DATE: May 17, 2016
RE: *Public Hearing to approve CIB loan or grant for Truman Drive Landslide Stabilization Improvements.*

Dear City Council:

Over the past two years, Santa Clara City has been working on a Grant from FEMA for Truman Drive Landslide Stabilization Improvements. Santa Clara was awarded the grant from FEMA in the amount of \$1,562,713. Santa Clara is responsible for 25% of \$1,562,713 which comes to \$391,000.

Santa Clara City is on the Local Capital Improvements one year prioritized list in Washington County for June 2016, for possible funding in either loan or grant for improvements.

CIB requires Santa Clara to have a public hearing to solicit comment concerning the size, scope and nature of any funding to be submitted to the CIB prior to review by the Board. At the Public Hearing, the public shall be advised the CIB may provide financing in the form of a loan, even if the application requests a grant.

It's staff's recommendation to approve the CIB application for \$176,000 loan and \$175,000 grant.

Respectfully,

Jack Taylor
