AUGUST 5, 2016

**To: Neighbor's within 500 feet of the
Mathew and Dana Mansfield Residence
At 1620 Gubler Drive,
Santa Clara, UT 84765**

To whom it may concern,

In June, we notified you regarding an awning setback violation at 1620 Gubler Drive, owned and occupied by Mathew and Dana Mansfield. We received significant approval and support from many of the adjacent neighbors. The request for "Approval of Variance" was reviewed by the Santa Clara City Planning Commission on July 12th, but was not approved. Our next step is the review of the Santa Clara City Council.

The complete project, including the landscaping and awning modification, was initiated by the Mansfields to create shade, cool their house, increase property value, and reduce costs in maintenance, water, and energy.

The Santa Clara City Council meeting is scheduled to take place on August 24, 2016. This is a notice only. Your attendance is not required, however, the attendance and support of those neighbors who wish to support Dana and Matthew's cause, would be greatly appreciated.

With Warm Regards,

The Awning Company- representing Mathew and Dana Mansfield
