Staff Report: Power Impact Fee's 2016

Over the past few months ICPE along with staff has presented the new Impact Fee's. We've had two work meeting and one council meeting to discuss the Fees. Council along with SUHB asked ICPE to make some changes. Those changes have been completed and approved in the last council meeting. Staff has work very closely with Mari at SUHBA for their review. In the last Council meeting, council agreed on the numbers proposed in exhibit A and set a public hearing for approval of the Power Impact Fees for December 14, 2016.

Its staff recommendation to approve the proposed Impact Fees as shown in exhibit A by resolution number 2016-17R and set date fees go in affect.
