On Thursday May 25th, the newly constructed Santa Clara Veterans Memorial Monument will be dedicated at the Cemetery. The ceremony will begin at 7:00 pm and everyone is invited. This monument will be dedicated to the many veterans who have lived in Santa Clara since the community was settled that have served in the United States military. All branches of the military will be recognized by a series of flags surrounding three large natural stone monuments. Stone pavers will recognize the veterans individually and large stone monuments will recognize all veterans for their service and sacrifice for their country.

A volunteer committee has worked for many years to design the monument, find a suitable location, raise the necessary funds for construction and finally construct a memorial we hope all veterans, their families and all of the citizens of Santa Clara, past and present, will appreciate and enjoy for many generations to come. Kudos to committee members Councilman Ken Sizemore, Parks Director Brad Hays, Wade Roberts, Terri Rosenberg, Charlie Clayton, and Sarah Mathis Schulz. Thanks also to Rosenberg Associates Civil Engineers, Paul Lillywhite Stone, Kenworthy Monuments, Border States Lighting, Noal Hansen Rock Quarry, Randy Frei Concrete and the City Public Services Crew for their hard work and talents constructing the monument.

Stone pavers are still available for purchase and engraving, for more information contact Town Hall. I hope everyone will take the opportunity to visit the monument and remember all of the veterans who have lived in Santa Clara since the community was founded. Their service provided the opportunity for each of us to enjoy the freedoms we take for granted every day. This Memorial Day let's celebrate their service and recognize them for their service.

In other news, Santa Clara Power was recently awarded a Certificate of Excellence in Reliability from the American Public Power Association. The City Power Department significantly outperforms the electric industry national average for reliability. Hats off to the City Power Department Staff for their good work keeping the power on. Also, the street slurry seal project is underway and residents are reminded to be careful around construction equipment and pay attention to road closures and detours.

The City is working with Washington County and the BLM to identify a designated shooting range site in the South Hills that could be improved for all types of shooting sports. Shooting is very popular with residents in the area, but there are serious safety concerns with the large amount of mountain bikers, ATV use, hiking and other recreational activities also using the area. The City hopes to identify a site and improve the road to the shooting range in the near future. When the designated range is opened, shooting will be closed in the other areas in the South Hills and enforced in accordance with City Ordinance.

May is also graduation time and summer is just around the corner. The City would like to congratulate the Class of 2017 and wish them all good luck and happiness in their future endeavors. These young people face a very challenging and exciting time ahead and I wish them the best. Until next month, stay safe Santa Clara. Mayor Rosenberg

APRIL 2017 PARKS DEPT. NEWS

Veteran's Memorial: The City wishes to thank everyone for their generous donations to build the Veteran's Memorial to be located at the Entrance of the Santa Clara Historic Cemetery. Currently we have \$33,000 of the approximately \$50,000 needed to pay for stonework, engraving, light fixtures, concrete, flags, and poles. Let us plan to celebrate our Santa Clara Veteran's contributions to our Nations freedom on Thursday May 25, 2017. You may honor any Veteran that has served in the US Military and has lived or lives in Santa Clara. A Memorial rendering and donation forms are available at City Hall at 2603 Santa Clara Drive or on the City webpage www.sccity.org. For additional information, please call or email Brad Hays at 435-656-4690 ext. 221 or bhays@sccity.org.

Volunteers:

Braden Peacock completed his Eagle Scout project by repairing and painting the picnic tables and benches at the Canyon View Park fire pit area on the corner of Canyon View and Little League Drives. He also pulled weeds and provided a general cleanup of the corner of the Park.

Snow Canyon Middle School students provided service at Canyon View Park by placing wood bark mulch to the bases of all the trees at Canyon View Park. They also placed wood chips in the area between the entrance drive way.

SANTA CLARA SWISS DAYS 2017

Mark your calendars now to save the dates for Santa Clara Swiss Days 2017: September 21-23. This year's theme is "Hometown Heroes" honoring our local heroes, including our veteran's, police, fire and medical responders, and others who have been heroes through their community service. We have seen many forms of heroism over the years from the strength and courage of early Santa Clara pioneers, to the selfless volunteers who just show up in times of need and do what needs to be done-usually going above and beyond the call of duty. Come join us during Swiss Days as we celebrate all of our hometown heroes.

Many fun events are planned once again this year including the Thursday Opening Ceremony, Community Dinner and Mayor's Walk, Friday Swiss Miss/Mister program, Pioneer Hands-on activities, free Friday Night Concert, Saturday 5K race, pancake breakfast, best parade, arts, craft and food vendors, games for all ages, continuous entertainment, historical displays and more.

See the city website for more information, including event applications and sponsor opportunities: www.sccity.org/swiss-days or call 673-6712 EXT 201.

STORM WATER PROTECTION REMINDER

Chlorinated water is a source of pollution to our storm water System. Swimming pools are a major source of chlorinated water discharged into our storm water system. Pools have high concentrations of chlorine, which is toxic to wildlife and fish.

Pool owners who drain their pools should De-chlorinate there pools before draining. When possible drain the De-chlorinated water to land where it will not drain to surface waters or directly into the storm drain system. These simple steps will help protect our water quality and have a positive impact on fish and wildlife.

Thanks to all of you who have been doing such a great job! Please report violations to the main City office at (435)656-4690. After hours emergencies will be forwarded to on call personnel. Or call the DCSWC Hot line at (435) 634-5730.

THE PET CORNER: MAY 2017

FRIENDS OF IVINS ANIMAL SHELTER; LINDA ELWELL, PRESIDENT

Our "Wish for the Month" is Purina Kitten Chow, Purina Puppy Chow and scoopable litter. This program was suggested by Sarah Atkin many years ago and has proven to be a very successful tool in helping to maintain a healthy diet for our homeless pets. We would like to take this opportunity to thank everyone who has participated in the past and is currently providing much needed items for the shelter. It takes everyone working together to make the "No Kill" municipal shelter possible.

Warm weather is here so please be very careful not to leave your pets in the car or outside for long periods of time. While the temperature outside may be cool to us, a locked car can turn into an oven very quickly. When pets are left outside please make sure they have a cool place to lay, shade and ample fresh water. We want everyone, including our family pets, to have a safe and happy spring followed by a fun filled summer.

FIAS is attempting to establish a spay/neuter fund with the Best Friends Clinic. If you would like to donate to this special cause please use the contact information below. Spay/neuter is the major expense of health care for the shelter. Even a small donation will help to support the homeless pets. Best Friends fee only covers costs related to the surgery and they assist us with our pets on a regular basis. They are truly our "best friend".

Volunteers are always needed at the shelter. Stacey, Shelter Manager, is a great person and fun to work with. We know you would enjoy your time at the shelter and the homeless pets always appreciate long walks accompanied with lots of attention. Keeping the shelter spotless is a big job and the staff appreciates everyone who volunteers. The Ivins Animal Shelter & Adoption Center is a happy place because we almost "SAVE THEM ALL"! Please use Stacey's contact information below for more information.

Smokey is a handsome boy. He is a Russian Blue approximately 4 years old. Smokey is very loveable and enjoys spending time on your lap. He loves to play with kids and would make a great family pet. However, Smokey would like to be the only cat in the home. Please open your heart and home to Smokey because he has been in the shelter a

long time and would really like to find his new forever home as soon as possible. For more information contact the Ivins Animal Shelter & Adoption Center during business hours.

Misty is a mix between a Newfoundland and a Black Lab. As you can tell by her picture she does have medium length hair. She is a sweetheart. Misty has a great personality. She enjoys playing, going on walks and being with people. Misty would be considered a special needs dog because she loves to jump. She can clear a 6 foot fence with ease.

Misty will need special protection when she is outdoors to ensure her safety because of the springs in her legs. She would make a fantastic family pet. Misty really wants to find her new forever home as soon as possible. Please open your heart and home to her today.

Adoption Fee: The adoption fee at the Ivins Animal Shelter and Adoption Center is \$50 for dogs and \$25 for cats. However, special reduced fees are featured throughout the year. Please call the shelter for more information.
