Our City just celebrated its 10 year anniversary of being a Tree City participant. We had a few people volunteer their time money to help this year (2018) totaling in 109.5 hours volunteer hours, \$200.00 donated funds and \$1300.00 spent from Santa Clara Parks Department. We would like to see this event grow, next year we will be looking for additional donations by also partnering with additional contributors. Utah Forestry, Utah Power, Harmons and Star Nursery to name a few.

Rap Taxes would be spent to create the residents of Santa Clara to understand the importance of Trees and what they do for our City.

We would like to apply for the RAP funds so the \$1300.00 spent for this event would be the park money could stay allocated to where they we budgeted for and help to make this event grow into a Santa Clara Family tradition.
