Subject: Recommend Approving Adding a new Wildland Engine and a new Ambulance to the CIB (capital improvements) 2-5 year list.

Staff recommends City Council approves adding a new wildland fire engine (\$310,000) and new ambulance (\$190,000) to the capital improvements list for 2020-2023 (2-5 year). The wildland fire engine would be for Spring 2020 and the ambulance for Summer 2021. Recommend that the city matches \$30,000 each for both the engine and the ambulance

Respectfully,
