The wet weather has dumped a ton of snow on the mountains and filled Gunlock Reservoir even before the spring runoff begins. The City Staff mobilized several weeks ago to prepare for increased flows in the Santa Clara River. If you live along the river be vigilant and pay attention to weather forecasts and heed flood warnings. If you don’t live along the river and are just curious about what is going on, please don’t clog the roadways when these events are happening. Don’t rush to the river hampering emergency response vehicles and heavy equipment from doing their job. The two biggest problems we noticed during the last high water was not the floodwaters, but the numbers of loopy-loos on the streets and the inaccurate reports that the Baker and Gunlock Reservoir dams were failing. These fake news posts wasted critical emergency personnel’s time and resources. They also created unnecessary stress and worry among the public and can be a major public safety concern. Please just don’t do it.

Applications for Santa Clara 2019 Recreation, Arts and Parks (RAP) Grants are due on April 30th. In FY 2018-19 the City Council awarded nearly $20,000 in Grants to support arts related development and activities including the Tuachan Center for the Arts, Shakespeare in the Park, The Osmund Days of 47 Celebration and the Santa Clara Historical Society. Funds were also used to for some finishing touches and costumes for the Glockenspiel at Town Hall. Approximately the same amount of RAP funding is available for the Arts this year. Interested applicants need to have non-profit 501(c)(3) status and should contact the City for additional information. The county wide RAP tax also generates much needed funding for City Recreation Projects and upgrades in the City Parks.

The City Parks department is converting the 2 irrigation water features by Heritage Square and the feature on the South side of Santa Clara Drive between Vernon and Victor Streets into flowerbeds. The flowers beds will add beauty to the downtown through seasonal flowers and plants. We will order brass placards to help visitors understand the significance of the planters that represent historic irrigation systems. The new flowerbeds will add beauty to the downtown and also reduce potential of someone being hurt from falling into the existing ditches. We plan to use Dixie State College Biology student volunteers for the initial planting on Thursday March 28th and April 11th. Thanks to Brad Hays and the dedicated employees of the Parks Department for their hard work to keep the downtown beautiful.

April is a great time of year to get outside and enjoy the many activities available to residents of the City. The first time showing of Shakespeare in the Park will take place April 12th, 13th, and 15th and will be held across the street from Town Hall on the grass. You don’t want to miss the new Easter clothes on the Glockenspiel kids either. The 2019 Princess Pageant is scheduled for 7:00 pm on May 18th at the new Kayenta Arts Center building in Ivins. Monica Bracken is the Princess Pageant Coordinator and is doing a great job. The Kayenta venue offers a more intimate setting for the pageant and allows the audience to be much closer to the contestants. The event was a full house last year so get your tickets early.

Mayor Rick Rosenberg  

Enjoy these spring days Santa Clara and remember to stay safe.

The City is considering “MOVIES in our PARK” starting in the fall of 2019. Last Year we partnered with Presidio Real Estate and borrowed movie equipment from Hurricane City. The Parks Department would like to buy our own equipment and purchase the movie rights. This would allow the City to host movies in your neighborhood at Black Rock, Canyon View, A. H. Gubler, and the upcoming Swiss Pioneer Memorial Parks. If you support movies in the park or would like to be a sponsor, please email Brad Hays bhays@sccity.org.

Our next improvement project using RAP taxes will be renovating the old tennis courts at Canyon View Park. We are considering options such as pickleball, basketball, roller hockey, volleyball, and tennis or a combination of several options to make these old courts more beneficial to the community. For example, we could convert one tennis court into 4 pickleball courts and leave the second court for tennis and volleyball. Please email Brad Hays bhays@sccity.org or call 435-673-6712 ext. 221 with your suggestions. Roller hockey and pickleball courts currently have the most votes.

Little League season is just around the corner for Santa Clara. Please set a great example for our youth by keeping our parks clean during the games by putting trash in receptacles. Pets are not allowed on sports fields and always keep your pet on a leash when visiting Santa Clara’s Parks. Thank you for your support. And most importantly, remember all Little League are volunteers who take time from their busy schedules to provide service to our community.

H.E.A.T. PROGRAM: The Home Energy Assistance Target Program accepts applications to assist eligible households in need of help paying their home heating bills. This federally funded program is administered by the State of Utah. Payment amounts are based on income, energy use, and at-risk groups in the household. Residents who wish to apply for assistance should call 435-652-9643 to schedule an appointment. The H.E.A.T. office is located at 168 N. 100 E. Ste. 255, St. Geo., UT 84770.

This clean up ensures the cemetery will be clean and beautiful for Mother’s Day and Memorial Day remembrances. Thank you with your help during these clean ups.
