JULY 2019 MAYOR’S MESSAGE

After a prolonged cool spring, the summer sun has found us and temps are hitting the triple digits again. Oh well, welcome to “Utah’s Dixie” or as the county tourism office has rebranded it, “Greater Zion”. The heat has many of you heading to the lake or maybe to a cabin in the mountains, wherever you go to get some relief. I hope everyone has a great summer and is able to get away from what’s stressing you for a bit. The pace seems to slow down this time of year, something I really appreciate. Maybe even a little more time to take a break and go fishing.

The City Council approved the 2019-2020 budget in June, the largest budget in City history. The General Fund budget exceeded $6.1 million and included several new projects to maintain or improve the level of service residents have come to expect in this community. The steady increases in sales tax revenues and good fiscal management by the various department heads combined to allow the City Council to avoid a property tax increase again this year.

The City lost a great friend with the recent passing of H. Bruce Stucki. Elder Stucki was a thoughtful, kind and generous son of Santa Clara and he will be missed by his family and his many friends in the community. His land donation to the City is making way for a new community park on Chapel Street in the downtown. The design work is nearly complete and construction should begin this fall. When completed, it will provide countless hours of enjoyment for area kids and adults alike. Thanks again to the Stucki family and I hope this effort will remind them of Bruce’s giving spirit. I know I will always be reminded of him when I visit the park.

The City Council is exploring the idea of sponsoring a community sponsored youth Scouting Program to provide a local option to continue Scouting in the community. We have been contacted by a significant number of adult leaders and youth interested in continuing the program to develop leadership skills, encourage outdoor activities and foster citizenship in the youth. The program is proposed to start around the first of the year and allow those interested in pursuing the Eagle Scout Award to continue on the path through involvement in the Cub Scout Pack or Scout Troop. If you are interested in being part of this new adventure either as an adult leader, or as a participant, please send me an email, or provide your contact information to the City Office. I will contact you with additional information.

The City is also exploring ways to improve internet service to Santa Clara residents in conjunction with the Cities of St. George and Ivins. A survey is being prepared for distribution to residents to determine the interest in having the City provide this service. Please respond to the survey when asked so we can measure the real interest in the community prior to making a decision.

Enjoy your summer Santa Clara, and remember to stay safe. It’s hot out there.

SANTA CLARA SWISS DAYS—SEPTEMBER 26-28, 2019

MARK YOUR CALENDARS for our annual SWISS DAYS Celebration! The dates this year are September 26-28. NEW THIS YEAR, we are adding an Activities Tent with fun and entertaining experiences to enjoy with friends and family! We would love to have your help as a Swiss Days Volunteer! Its a great way to make new friends and help out your community. Clubs and groups in need of service hours would be welcomed as well.

SPONSORSHIP OPPORTUNITIES:
Swiss Days couldn't happen without our generous sponsors. If you would like to be a sponsor please refer to the sponsor sheet included with this newsletter for all the sponsorship tiers. As a sponsor you will receive exposure for your business as well as support your community. If you have any questions please email sccityevents@gmail.com or call the City Office at 435-673-6712 ext. 201. All Swiss Days forms & applications can be found at www.sccity.org-city events.
JULY CODE ENFORCEMENT-STREET PARKING ORDINANCE

With summer in full swing and the kids are out of school, families are planning vacations. This means it’s time to get the camper or trailer out of storage and ready for use. The Code Enforcement Officer has been receiving numerous complaints from our community on the parking of these recreational vehicles on City streets. This is a friendly reminder pertaining to “Street Parking” and what City code allows, and the length of time allowed.

Please see the below Santa Clara City Code 10.08.040:

Parking Prohibited: It shall be an infraction for any person to park or leave standing on any public road, street, alley or city property any motor vehicle, trailer, or vehicle used for carrying or conveying persons, animals, or objects for seventy-two (72) or more consecutive hours, and any such vehicle so parked or left standing may be impounded or removed by the city marshal. For purposes of impoundment and removal, the chief of police may impound and remove any vehicle which reasonably appears to have remained unmoved for seventy-two (72) or more consecutive hours. The cost of impoundment and removal shall be charged to the owner or any person who claims the impounded vehicle.

Your cooperation in this matter is greatly appreciated. Have a safe and fun summer!

GLOCKENSPIEL—NEW PATRIOTIC THEME FOR JULY: Once again the Town Hall Glockenspiel has been transformed; this time with a patriotic theme to help celebrate the Independence Day holiday. Come see the new costumes that have been created for the Glockenspiel figures and hear the new music that has been programmed in honor of our nation’s birthday. The Glockenspiel, in the Town Hall Bell Tower, runs at the top of the hour each day from 8:00am-8:00pm. This has been a fun attraction at Town Hall and especially fun to visit with the seasonal changes. Special thanks to Mary Jo “Tode” Hafen for her time and talents in creating the new costumes for the seasonal changes—she does an amazing job! Also special thanks to Sherrelle and other city staff who work on programming the music and operation of the glockenspiel. We hope you enjoy this special & unique feature.

### JULY PARKS DEPT UPDATE

We are a City of volunteers. Every time we visit a park or trail on our City streets we enjoy the gift of volunteerism. The Parks shade trees with the nice wood chip rings were planted by students and Eagle Scouts. The benches along our trails and landscape in our Parks that make our City beautiful were largely completed through volunteers. The flags placed along our City Streets during special holidays and the new looking red fire hydrants with red curbs are all volunteers.

Volunteers:
Due to the heavy spring rainfall, the Jacob Hamblin Trail incurred heavy erosion damage and weeds overtook the trail to make it impassable. Bryce Barnes, Max Ripplinger, and Spencer Smith each volunteered to take on a section of the repair. Each Scout supervised their individual groups of volunteers to complete a separate 1000’ section of the Jacob Hamblin Trail from Fort Clare to the Jacob Hamblin Home. Thanks to these young men, the trail is once again open for all of us to enjoy. Congratulations on your achievement.

The voting for the Tennis Court renovation has closed and the residents have asked for pickle ball and tennis. Roller hockey was a distant third place. Based on your suggestions, the Parks Department is working on a design to keep one tennis court with an adjustable net that also permits volleyball and the second court design includes 4 pickleball courts. Court lights will also be replaced or improved. Thank you for being involved in your community. Community involvement is the cornerstone our City Parks and Trails. Working together makes Santa Clara a great place to call home.

### WCWCD FREE WATER SYSTEM CHECKS:
Free water system checks are available by the Washington County Water Conservancy District between May 15-Sep 30. The water check gives you a customized irrigation schedule, identifies your soil type, and suggests ways to efficiently water your landscape often resulting in an average 30 percent water savings; have an attractive landscape while conserving water. To request a free water check appointment please call 673-3617. Visit the WCWCD website for more information.

### H.E.A.T. PROGRAM:
The Home Energy Assistance Target Program accepts applications to assist eligible households in need of help paying their home heating bills. This federally funded program is administered by the State of Utah. Payment amounts are based on income, energy use, and at-risk groups in the household. Residents who wish to apply for assistance should call 435-652-9643 to schedule an appointment.

H.E.A.T. office new location: 1664 S Dixie Dr. Unit L-104 St. Geo. UT 84770, in Dixie Commons.

### NEW BUSINESSES OPEN

There are two new commercial businesses open at the east entrance of town. BT Pearson Tire & Service is located at 2275 Santa Clara Drive-next to the Lightfoots convenience store and Chevron station. Owner, Brad Pollman, brings years of experience to this new branch of his tire sales and service business. The store phone # is 628-0431 and open Mon-Fri from 8am-6pm and on Saturdays from 9am-3pm.

The other new business is a restaurant located in the Lightfoots store, again at 2275 Santa Clara Drive—**Mixed Greens Fast Fresh Food** has yummy offerings including healthy plates, salads, rice bowls, acai bowls and smoothies. The owner is Eric Martinez; the business phone # is 435-216-1500 and the restaurant is open for business Mon.-Sat. from 10:00am-9:00pm.

We hope you will take time to visit these new businesses as well as visit and discover our other local merchants. They provide many goods and services right here at home in Santa Clara!

### FIREWORKS SAFETY FOR JULY HOLIDAYS

For many in Utah, the use of fireworks is a tradition. Although fireworks are beautiful, fun and exciting to set off, people are handling explosive materials, dangerous chemicals and combustibles that can start fires, harm or cause death to unsuspecting victims. These deceptively simple objects explode, throwing 1,200 degrees Fahrenheit sparks through the air.

Utah changed its firework laws (HB38) in 2018. Under the new law, fireworks are only allowed to be set off from July 2-5 and from July 22-25. Fireworks may be discharged between the hours of 11am—11pm on the days leading up to and following the holidays and till midnight on July 4 and 24. Cities and land managing agencies can also restrict areas where fireworks can be set off and restrict their use. Please watch for and abide by any special fireworks restrictions that may be put in place due to dry, dangerous conditions. Fireworks are prohibited within 250 feet of the following areas: dry washes & drainages, river & stream corridors, hillsides, plateaus, & mesa tops, undeveloped open space or natural terrain. Check for a Fireworks Restriction Zone Map on the city website: www.sccity.org under Public Safety tab.

**Fireworks Safety Tips:**
- Use only fireworks purchased in the State of Utah from licensed dealers or retailers.
- Use fireworks only with responsible adult supervision at all times.
- Never allow young children to handle fireworks
- Light the fireworks in an open area & on a non-combustible surface, such as a driveway or paved area.
- If windy conditions exist, do not light fireworks.
- Keep a bucket of water available.
- Soak fireworks thoroughly in a bucket of water, or douse them with a hose prior to disposal
- Handle used & “dud” fireworks with a shovel. Do not try to relight.
- Keep clear while lighting fireworks, do not lean over them at any time.
- Keep pets indoors while setting off fireworks

Keep your Independence Day & Pioneer Day holidays fun and safe this summer!

July 4, 2019 is this great nation’s 243rd birthday. As festivities and celebrations are enjoyed with family and friends, INKAS would like to share some ideas for keeping your pets safe during this holiday weekend. Whenever fireworks are being set off pets should be indoors. Pets who have never tried to escape before may bolt or dig under, or scale over fences before running off. In selecting a safe secure space for your pet consider a closed room with plenty of hiding spots. Play soothing music and keep window treatments drawn and provide a fresh bowl of water. Collars with current ID tags should be kept on at all times. Also be certain your pet’s microchipping information is current. If you or a family member or a friend do lose a pet contact the Ivins Animal Shelter (435-628-1049) immediately and post current photos on social media such as Facebook and Nextdoor Digest.

Enjoy your 4th and “Happy Birthday” USA!!!!
