JUNE 2019 MAYOR’S MESSAGE

Santa Clara has a new Princess. Her name is Sophie Robinson, and she was selected from a talented and beautiful group of young ladies at the 2019 Princess Pageant held on May 14 at Town Hall. She is the daughter of Paige and the late Chad Robinson. Her first attendant is Lexie Leavitt and her second attendant is Lainee Leavitt, both daughters of Greg and MaKayla Leavitt. I look forward to working with these young women at events throughout the year including the Washington County Fair and Swiss Days. Thanks also to our outgoing 2018 Princess Royalty, Aleah Horton, Ambrie White and Raegan Gines. These young women and their families invested many hours in service to the community and did a wonderful job representing the City. We wish them the very best in their future endeavors.

Congratulations also to all the recent high school and college graduates from Santa Clara. Hopefully you will be spending the summer preparing for college, missions, trade school or entering full-time employment. Whatever your plans, I wish you the best. The challenging world we live in today is waiting for you to step up and show it what you’ve got. Set your goals now to make a positive difference with your future efforts. Do the hard things. Put in the work, be happy and don’t ever give up on your dreams. Good luck to you all.

Last month the Santa Clara Power Department participated in the American Public Power Association Light Up Navajo Project, sending Dan Callahan and the City’s 55-foot bucket truck to the Navajo Nation with several St. George City Energy Services Department linemen to help install power to homes on the reservation who have never had power. This was part of a nationwide effort involving 120 workers from 25 public power organizations who helped provide over 300 homes with power service. Great job Dan!

Construction on the Chapel Street Bridge is progressing on schedule. The contractor, Interstate Rock Products of Hurricane is busy installing the concrete foundation system and completing the required grading for the new roadways.

Summer means the kids are out of school and will be travelling city streets and roadways. Everyone please, slow down and stay focused while driving in residential neighborhoods. This warning goes for pedestrians too. Don’t be so focused on your phone you forget to pay attention to traffic, bicyclists and other hazards. Parents please pay attention to your underage drivers cruising city neighborhoods on golf carts and off-highway vehicles. There have been numerous violations in the recent past. Here are some of the laws from the City Ordinance you need to remember:

Persons under the age of eighteen (18) may not operate or ride on an off-highway vehicle in a manner which abuses a watershed, impairs plant or animal life, or creates excessive mechanical noise. A person may not operate and an owner may not give that person permission to operate an off-highway vehicle on any public land, trail, street, or highway within the City of Santa Clara unless the person has in his possession a valid motor vehicle operator’s license, and the operator is at least sixteen (16) years of age. The laws are there for your protection, please follow them.

Enjoy your summer and remember to stay safe Santa Clara.
Mayor Rosenberg  mayor@sccity.org

SANTA CLARA SWISS DAYS—SEPTEMBER 26-28, 2019

MARK YOUR CALENDARS for our annual SWISS DAYS Celebration! The dates this year are September 26-28. NEW THIS YEAR, we are adding an Activities Tent with fun and entertaining experiences to enjoy with friends and family! We would love to have your help as a Swiss Days Volunteer! Its a great way to make new friends and help out your community. Clubs and groups in need of service hours would be welcomed as well. Please email sccityevents@gmail.com for more information, or you can call the Santa Clara City Office at 435-673-6712 ext. 201.
MANAGING STORMWATER AT HOME

5 things you can do to help manage Santa Clara City Stormwater at home:
1. Pet Waste—Bag and put in trash or flush it down the drain.
2. Lawn Care—Mulch grass clippings and leaves and leave on the lawn or compost.
3. Debris—Sweep dirt into your lawn, pick-up debris and put in the trash.
4. Vehicle Maintenance—Pour waste oil into unbreakable container, seal, label, and recycle. Wash your car on the lawn or at a commercial car wash.
5. Household Chemicals—Target fertilizers and pesticides to the lawn & garden areas. Take excess chemicals to household hazardous waste facility.

“BECAUSE WE ALL LIVE DOWN STREAM”

For information on recycling of chemicals, oils, and other hazardous materials, please contact Washington County Landfill either by phone, 435-673-7263, or their website: http://www.wcsow.org/Office Hours are Monday – Friday: 8:00 am – 4:00 pm

NEW SANTA CLARA CITY ROYALTY

The new Santa Clara Royalty was selected on May 14. The new Princess is Sophie Robinson with 1st attendant Lexie Leavitt and 2nd attendant Laine Leavitt. Please see the enclosed flyer with their photo and bio’s. We congratulate all 3 young women for taking part in the pageant process and are looking forward to them representing Santa Clara City in the year a head.

We also wish to thank the outgoing royalty for the wonderful way they have served, carried out their duties and represented Santa Clara this past year. We wish to bid a fond farewell to Princess Aleah Horton, 1st Attendant Ambrie White and 2nd Attendant Raegen Gines. They have served with enthusiasm, kindness and dedication in carrying out their royalty responsibilities.

We especially wish to thank Royalty and Pageant Director Monica Bracken, along with her daughters Kaitlyn and Gracie for all their work, planning and guidance in preparing for the pageant and then mentoring the royalty throughout the year. Also, thanks to the royalty mom’s who have lent such great support this past year too and helped out in so many ways. Congrats and thanks to all!

- Wilde Electric, Inc. by Terry Wilde at 632-7297
- Woof! Wellness Center by Anita Deiddles at 435-275-4536
### JUNE PARKS DEPT UPDATE

**Parks News:**

**Tennis Court Renovation at Canyon View Park:** Our next improvement project using RAP taxes will be renovating the old tennis courts at Canyon View Park. We are considering options such as pickleball, basketball, roller hockey, volleyball, and tennis or a combination of several options to make these old courts more beneficial to the community. For example, we could convert one tennis court into 4 pickleball courts and leave the second court for tennis and volleyball. Please email Brad Hays at bhays@sccity.org or call 435-673-6712 ext. 221 with your suggestions. Roller hockey and pickleball courts currently have the most votes. Funds will become available in July so get your vote in.

**Volunteers:**

**Little League Season:** The City wishes to thank all the Little League volunteers for another great year. We appreciate all that you do for our City’s youth and best of luck in the Playoffs.

Bodie Bostwick earned his Eagle Scout Rank by installing plants, weed barrier, and a 3” layer of decorative rock at Gubler Park next to the new west parking area. The newly planted landscape makes an attractive addition to Gubler Park.

Isaac Awerkamp earned his Eagle Scout rank by constructing a trailhead on the Lava Flow Trail near the Ivins City Border. He poured 2 concrete pads than installed a carved sandstone bench and a curved bicycle rack on the pads. This attractive rest stop for trail travelers will be appreciated for many years.

### JUNE CLEAN UP DUMPSTERS

Clean up dumpsters will be available June 7 & 8 for residential clean up; there will be 3 dumpsters at the Little League Parking Lot and 1 at Town Hall. As always we ask that no trash is left on the ground before dumpsters arrive or after they have been removed. If you have large items that need disposed of please call Republic Services at 628-2821 to schedule a special pick up. These dumpsters are not for disposal of any hazardous waste or chemicals, paint, pesticides, batteries or tires and not for construction site waste. The St. George Reuse Center accepts removed tree limbs and other vegetation for mulching; they are located at 575 E. Brigham Rd., phone # 627-4028. If you do not have a recycling Blucan there are recycling binnies at the Gubler Park. Thank you for helping to keep Santa Clara clean and beautiful!

### SWISS DAYS INFORMATION

Santa Clara Swiss Days planning is well underway, for September 26-28. There are a few arts & crafts vendor spaces still available. Businesses can also help support the 30th year of Swiss Days with a variety of sponsorship opportunities that promote & advertise your business. These forms and other Swiss Days event applications such as 5K, parade, and Swiss Miss/Mister are available on the Santa Clara City website at www.sccity.org. For other Swiss Days information call 673-6712 ext. 201.

---

**H.E.A.T. PROGRAM:** The Home Energy Assistance Target Program accepts applications to assist eligible households in need of help paying their home heating bills. This federally funded program is administered by the State of Utah. Payment amounts are based on income, energy use, and at-risk groups in the household. Residents who wish to apply for assistance should call 435-652-9643 to schedule an appointment. **H.E.A.T. office new location: 1664 S Dixie Dr. Unit L-104 St. Geo. UT 84770, in Dixie Commons.**

---

### FIREWORKS SAFETY FOR JULY HOLIDAYS

For many in Utah, the use of fireworks is a tradition. Although fireworks are beautiful, fun and exciting to set off, people are handling explosive materials, dangerous chemicals and combustibles that can start fires, harm or cause death to unsuspecting victims. These deceptively simple objects explode, throwing 1,200 degrees Fahrenheit sparks through the air.

Utah changed its firework laws (HB38) in 2018. Under the new law, fireworks are only allowed to be set off from July 2-5 and from July 22-25. Fireworks may be discharged between the hours of 11am—11pm on the days leading up to and following the holidays and till midnight on July 4 and 24. Cities and land managing agencies can also restrict areas where fireworks can be set off and restrict their use. Please watch for and abide by any special fireworks restrictions that may be put in place due to dry, dangerous conditions. Fireworks are prohibited within 250 feet of the following areas: dry washes & drainages, river & stream corridors, hillsides, plateaus, & mesa tops, undeveloped open space or natural terrain. Check for a Fireworks Restriction Zone Map on the city website: www.sccity.org under Public Safety tab.

**Fireworks Safety Tips:**

- Use only fireworks purchased in the State of Utah from licensed dealers or retailers.
- Use fireworks only with responsible adult supervision at all times.
- Never allow young children to handle fireworks
- Light the fireworks in an open area & on a non-combustible surface, such as a driveway or paved area.
- If windy conditions exist, do not light fireworks.
- Keep a bucket of water available.
- Soak fireworks thoroughly in a bucket of water, or douse them with a hose prior to disposal
- Handle used & “dud” fireworks with a shovel. Do not try to relight.
- Keep clear while lighting fireworks, do not lean over them at any time.
- Keep pets indoors while setting off fireworks

Keep your Independence Day & Pioneer Day holidays fun and safe this summer!

THE PET CORNER: JUNE 2019

**GREETINGS FROM THE IVINS ANIMAL SHELTER**

Bailee Mabe SCI Animal Control & Animal Shelter Manager
Phone #: 435-628-1049 Email: bmabe@ivins.com

---

Animal Control reminds us that we should never leave our pets in the car during the hot spring and summer months. Temperatures rise quickly in a vehicle even with windows cracked and can become dangerous in a matter of minutes. Please leave your pet at home rather than locked in a vehicle that could quickly harm your pet. Also, put out plenty of water for your pets to stay hydrated during these hotter days ahead!

Please join INKAS in celebrating Pet Appreciation Week, June 2 – 8. There are many ways to show appreciation to our pets, not just this week but throughout the entire year.

- Give your pet a gift. Bringing something new into your pet's environment will break the routine and provide new interests and enthusiasm. A new toy will inspire some playful activity and a different type of treat will surely tickle your pet's appetite.
- Exercise and activity are always important. This week why not try out a new route for walking your dog or a ball for your cat to chase. Activity is great for fighting boredom and keeping our pets fit.
- Mental stimulation is also important to help pets fight boredom and anxiety. Teaching a new command or trick will engage your pet. Positive reinforcement keeps it fun for both you and your pet.
- Make sure your pet's identification tag and microchip are up-to-date to help ensure their quick return should they become lost.
- Is your pet due for a wellness check by the veterinarian? Are all recommended vaccinations up-to-date? This week would be a great time to make an appointment.

WHERE TO MEET THE PETS:

Ivins Animal Shelter and Adoption Center
Phone: 435-628-1049
474 North 200 West, Ivins
Hours: Mon. –Sat. 8:00 am-3:00 pm

---
