Happy New Year Santa Clara!

December 2019 brought some great events to town. On December 11th, the City Parks Department dedicated four new pickle ball courts and a new sports court at Canyon View Park including space for basketball, tennis, badminton and volleyball on a common court. Thanks to Brad Hays and his dedicated staff for bringing this major upgrade to the old tennis court facility. It’s a beautiful addition to the City that will bring many years of fun and good exercise to residents. Stop by and check it out.

The Wreaths Across America Program visited the Santa Clara Cemetery on December 14th, providing an opportunity for family members and guests to place 152 balsam Christmas wreaths on every veteran’s grave in the cemetery. A special thanks to the Kuhlman family and the Daughters of the American Revolution for organizing and sponsoring the event. Former city councilman and Army veteran Ken Sizemore spoke at the short program recognizing each branch of the military and did a great job. Thanks also to Charlie Clayton for placing American flags to mark the veteran’s graves prior to the event and for all the time he spends helping keep the cemetery clean.

Speaking of the cemetery, there is a problem with residents allowing their dogs to “do their business” so to speak in the cemetery, and even worse, dog owners failing to clean it up. I would hope dog owners would not need to be reminded of the special and reverent place a cemetery is for loved ones and families. Any dog owner allowing their pet to defecate on or near a gravesite and failing to clean it up, is well, let’s just say they need to reflect on their actions and set goals for self-improvement. Let’s all work together to keep the Santa Clara City Cemetery a beautiful, respectful and reverent place for everyone.

Just a reminder, newly elected city council members, former Mayor Denny Drake, Leina Mathis and incumbent Jarett Waite will be sworn in during the City Council meeting on January 8, 2020 beginning at 5:00 pm at Town Hall. It would be great to see a big turnout at the meeting to welcome them and say thanks to outgoing city council members Herb Basso and Mary Jo Hafen. We have been blessed as a community to have had some great city councilmen and women serving over the years. Good people who really care about this community, willing to share their time and talents to keep Santa Clara a wonderful place. I’m confident the new City Council will continue to work hard to represent the goals and visions of the residents of this community.

Looking forward to 2020, I know everyone working at the City will continue to do their best to keep residents safe and maintain the quality of life and services the citizens have come to expect in Santa Clara. I’ve said this before, if you see a problem and need help, let us know. The City really does care about you and your family’s needs. With your help and support, we can work together to make this community the best it can be.

I hope the new year brings each of you hope, happiness and continued success. Let’s all celebrate the opportunities and benefits we enjoy as residents of Santa Clara, but while you are celebrating remember, keep it safe.

JANUARY 2020 CODE ENFORCEMENT MESSAGE

Recently, I have been receiving calls from our residence who do daily walks through our wonderful City. They have expressed concerns pertaining to sidewalk areas being obstructed by plant/tree growth.

Sometimes this area can be easily overlooked by homeowners. Below you will find a copy of our City Ordinance pertaining to the property owner’s responsibility to keep this area obstruction free.

12.32.040: STREET TREE MAINTENANCE AND CARE:

Adjacent Property Owners to Maintain Trees on Their Property: Adjacent property owner trees and other plantings shall not overhang or encroach upon sidewalks, streets, public rights of way or other designated pedestrian ways, nor obstruct the view of traffic signs or any street intersection. Trees and other plantings shall be pruned clear of all branches between the ground and a height of seven feet (7’) for that portion over the sidewalk or pedestrian way. Trees and other plantings that project over any street or access road that may be used for emergency purposes shall be trimmed to a height of thirteen feet six inches (13’6”) from the grade of the street or access road. Said owners shall remove all dead, diseased, or dangerous trees; or broken or decayed limbs which constitute a menace to public safety at their expense.

PARKS DEPT JANUARY 2020 UPDATE

Eagle Projects: Bryce Nelson and Brock Boyce each completed their respective Eagle projects by harvesting and planting native desert willow cuttings in the Sand Hollow Wash near Villa Bonita. These willows provide nesting opportunities for the endangered Willow Flycatcher.

Nathan Bonzo earned his Eagle Scout by refurbishing the Spence Gunn Baseball Field outfield warning track with new material donated by the Snow Canyon Little League. The warning track ensures player safety by providing a safe surface that let outfielders know they are approaching the fence.

Spence Gunn earned his Eagle Project by honoring the Snow Canyon Junior League Softball World Series Champions with a stone monument and plaque with engraved player’s names and a team photograph.

2020 business license renewals are due no later than Jan. 31, 2020. Please make sure your state registration and any state licenses are current and that you provide that information with your renewal. Daycares, preschools and commercial businesses must have their annual fire safety inspection done and provide verification of the inspection for business license renewal. 2020 DOG LICENSING

2020 Dog Licenses are available at the Santa Clara Town Hall Office. Please provide a copy of your dogs rabies certificate to show proof of current rabies vaccination at the time of licensing. License fees are as follows:

- 1st dog Fixed: $10.00 Not Fixed: $20.00
- 2nd dog Fixed: $12.00 Not Fixed: $22.00

Please remember City Ordinance requires that you license your dogs annually. The city dog license tag and rabies vaccination tag should be on your dogs collar on your dog at all times. If your dog is found at large the city tag makes it easy to identify the owner and get your pet back to you.

We will not be holding a dog licensing/vaccination clinic this year so please be sure to stop by the office to license your dogs for 2020. You can also call to license your dogs as long as we have a copy of the current rabies vaccination certificate. Late fees apply after Feb. 28. For dog licensing questions call 673-6712 EXT 201.
